

DYE DAYS FOR MASTER SPINNERS INSTRUCTORS AT FIBRE WEEK

In order to allow instructors to plan their classroom activities before coming to Fibre Week the following days have been designated as the dye day/s for each level:

First Friday, Saturday and Monday -levels 5 and 6 (instructors can decide how to split them)

Sunday –available if needed and no other Fibre Week workshop is scheduled for the day

Tuesday –level 4

Wednesday –level 3

Thursday –level 1

Second Friday –open if needed by any level

Two classes for a level would share the dye day/s set aside for that level.

Two (or more) instructors could decide to switch their days (or share a day) if it was feasible for all to do so. An instructor wishing to change her/his dye day should contact the other instructor/s involved as early as possible to suggest a change and see if it is feasible.
