

Olds College Fibre Week 2010 Jun 25 - Jul 2

Fibre Week sponsorship provides the organizing committee with opportunities to present a quality event while minimizing costs to the participants. While sponsors receive recognition in various ways, they realize that their contribution has value far beyond any such recognition.

Receipts will be provided for donations that qualify under Canadian Revenue Agency Guidelines. In most cases this will mean: Business Expense Receipts for businesses and tax-credit receipts for individuals. Gifts-in-kind will be recognized in the appropriate category according to their value if they directly offset a Fibre Week expense item. Sponsorships may be a combination of Cash and Gifts-in-Kind.

The following categories and the recognition attached to each will be in place for Fibre Week 2010.

Sponsorship Levels

Titanium Sponsor \$3000+

The designation "Title Sponsor" shall be reserved for the first donor in this category.

The "Title Sponsor" shall be named as a sponsor of Fibre Week in the following manner in the brochure and on the website:
