Olds College Earthmoving and Heavy Equipment Operator Training

Name: _____ Date: _____

Email: _____ Phone #: _____

Applying to: Earthmoving L-1 L-2 L-3 or HEO (Location: _____)

Admission Requirements

Students must be mentally and physically capable of safely operating equipment on a daily basis in order to successfully complete the program. Any medication, dependency or mental or physical limitation that may interfere with one's ability to safely operate equipment may prevent a student from graduating and/or obtaining employment.

A small class with a high ratio of instructors to students promotes quality education, therefore applicants will be carefully selected and acceptance will be based on the approval of the Admission's Office.

Standard Admission:

- Application Form
- High School Diploma or its equivalent
- Proof of age (18 years or older)
- Copy of an unrestricted class 5 Driver's License
- Recent copy of a Driver's Abstract (applicants must not have more than one violation in the past three years)
- Submit a completed Olds College Earthmoving Equipment Operations Personal Profile

OR

Alternate Admissions Status - General Requirements:

If you do not meet the Alberta high school diploma or its equivalent requirements, please submit the following:

- Application Form
- High school transcript of completed courses
- Proof of age (18 years or older)
- Copy of an unrestricted class 5 Driver's License
- Recent copy of a Driver's Abstract (applicants must not have more than one violation in the past three years)
- Letter of introduction and interest in Olds College and this program. The applicant should also address why they feel they will be successful in this program without having completed the high school diploma admission requirement
- Submit a completed Olds College Earthmoving Equipment Operations Personal Profile

The language of instruction at Olds College is English. Applicants whose previous academic study was in a language other than English must provide proof of English language capabilities.

Admission will be offered to students who fully meet program requirements and qualifications. Students will be considered for admission when all application materials have been received and reviewed by the Admissions office.
