OLDS COLLEGE GOES TO CALGARY!

The Olds College student experience is now available with a distinct urban flair. The launch of the Olds College Calgary Campus on the grounds of the Calgary Exhibition & Stampede is creating a growing range of program options for rural and urban students. The vision for the Olds College Calgary Campus is to provide a high-energy and innovative educational facility that supports the needs of industry and provides unique educational programs for up to 450 students from Calgary.

Today

The Olds College Calgary Campus at Stampede Park consists of a 5,000-sq.-ft. building offering two classrooms, 30-station computer lab, student lounge, and administration area. Full-time programs include Land Administration and Fashion Marketing.

Learning resources such as books, supplies and access to library services are provided via a direct link to the Olds College Campus in Olds, just an hour's drive north of Calgary.

Tomorrow

The current Campus is just the beginning of the Olds College presence in Calgary. The Olds College Calgary Campus will begin remodeling the Weston Bakery building at Stampede Park in 2007, with an expected opening in 2009. This \$8-million, 27,000-sq.-ft facility will provide access to a variety of agricultural, horticultural, environmental and land-based programs for up to 450 students.

2007 Summer Camps

New this summer are three exciting kids camps: So You Love Horses, Robotics and Hand Held GPS Mapping. The children will love them! Sign them up today.
