

Are you an international student applying to Olds College?

If you would like to work with an agent who can assist you through the application and admission process, one of our authorized agent representatives would be happy to help. Olds College has authorized representation worldwide.

Authorized agents receive training from Olds College, including information about Olds College programs, admission requirements and processes.

Authorized agents may assist applicants with:

- completing applications
- submitting transcripts and documents
- understanding fees and making payments
- program and application inquiries
- housing options and applications

Authorized agents **cannot** do any of the following:

- complete program admission requirements for a student
- guarantee admission
- guarantee a study permit

Below is the list of agents who are authorized to recruit students for Olds College.
