✓ Sign in at: **MyOldsCollege**

✓ Select “**Make a Payment, Payment Plans, Statements, Refunds | PayMyTuition**” from the menu.

PayMyTuition is securely integrated with your self-service profile.

You'll only need to update your security settings if you want to manage an Authorized User linked to your account or if you need to reset your password. If you create an account with PayMyTuition, you must enable 2 Factor Authentication.

For step-by-step instructions on managing Authorized Users controls, refer to the [Authorized User Guide](#).

If you have created an account with PayMyTuition and need to reset your password, access www.paymytuition.com, select **Login** at the top right-hand corner of the screen, and choose the **Forgot your password?** option.
