

Set in Stone Personalized Paving Stones

YOU CAN "SET IN STONE" THE PATH FOR STUDENT EDUCATION!

A Paving Stone for all Reasons!

Personalizing a paving stone within Olds College's "Walkway up Celebration Hill" will not only reflect your own Olds College pride and support, but it can also become a memorable gift and personal keepsake.

Having a personalized paving stone installed in the Olds College Botanic Gardens III and Treatment Wetlands is a unique way to honor a friend, family member, mentor, or other loved one, or for marking a wedding, graduation, new arrival, memorial, or other important life events. Paving stones may be purchased at any time throughout the year, however they will be installed twice a year - once in summer and once in early fall.

With your generous contribution of \$250:

- Your name, company name or the name of someone you would like to honour will be engraved on a paving stone and permanently displaced in the "Walkway up Celebration Hill";
- Charitable Receipt will be issued.

To reserve your commemorative paving stone for the Olds College Botanic Gardens III and Treatment Wetlands, please contact:
