## 2026-27 PROGRAM DATES, TUITION and FEES

The College reserves the right to change, amend or alter this information as necessary.

Tuition and fees are estimates by program and term, based on a full course load. Actual fees are specific to each student and billed to the My Olds College account approximately one month prior to each term start date.

Tuition and fees are for courses that start in the 2026-27 academic year (July 1, 2026 to June 30, 2027). Courses that start July 1, 2027 or later will be subject to new rates and charged in the 2027-28 academic year.

A \$200.00 late fee will be charged to the student account for tuition and fees not paid by the payment deadline.

Books and supplies are an estimate only, purchased directly by the student, and are not billed to the student account.

## 2026-27 PROGRAM DATES, TUITION and FEES

The College reserves the right to change, amend or alter this information as necessary.

Tuition and fees are estimates by program and term, based on a full course load. Actual fees are specific to each student and billed to the My Olds College account approximately one month prior to each term start date.

Tuition and fees are for courses that start in the 2026-27 academic year (July 1, 2026 to June 30, 2027). Courses that start July 1, 2027 or later will be subject to new rates and charged in the 2027-28 academic year.

A \$200.00 late fee will be charged to the student account for tuition and fees not paid by the payment deadline.

Books and supplies are an estimate only, purchased directly by the student, and are not billed to the student account.
